
Local Motorcycle Club Aides Area Veteran

Some of you may know a local hero named Mike Montagne. Mike is from Chelsea and while serving our country in the Army, he was injured in Iraq and lost his left leg. Mike's severe injuries had him spend several years in and out of Walter Reed Hospital in Washington D.C.. His recovery was slow and still on going. Mike is home now - he was given a hero's welcome in his home town.

Mike tries to adjust to the life protecting our freedom has left him. He recently purchased a home and needed a hand painting! The good members of Rolling Thunder Michigan Chapter 5 and their families stepped up to the job!! October 7, in the rain, cold and winds they spent an entire day painting the deck and handicap ramp for Mike!

Rolling Thunder donates time, money and hard work to help our veterans, so many thanks for their dedication and good works.
